

CRITICAL ILLNESS INSURANCE

Protect your family, lifestyle, and finances

When a critical illness strikes, you should be focused on your health, not your finances. Unfortunately in too many cases, illness is only part of the battle. Critical Illness insurance offers essential benefits when you need them most to help protect your family, lifestyle, and finances.

While your medical plan offers important health care coverage, you can extend your benefits with Critical Illness insurance. LifeSecure's Critical Illness insurance can help ease the financial hardships that can occur when you're diagnosed with a serious disease – allowing you to focus on recovery. Product features include:

- A lump-sum benefit to help offset medical expenses and other out-of-pocket costs, like lost income, deductibles, and uncovered treatments
- Coverage includes children at no additional cost
- Full benefit payouts for multiple critical illnesses
- Re-occurrence benefit for an additional diagnosis of the same illness

You can't predict a critical illness like cancer or a heart attack, but you can be prepared and help protect a better tomorrow for yourself and your family.
